Experience

Google Research

Aug 2022–Aug 2023

STUDENT RESEARCHER, RESPONSIBLE AI AND HUMAN-CENTERED TECHNOLOGIES

Sydney, Australia

Investigated how to improve speech and language technologies for Australian Aboriginal and Torres Strait Islander communities. Publication at EACL '24 based on this work. Advisors: Ben Hutchinson and Courtney Heldreth.

Google Research

Nov 2020–Feb 2021

RESEARCH ASSOCIATE, PEOPLE + AI RESEARCH

Remote

Investigated how community-based participatory research and its philosophy might be incorporated into the machine learning development process. Publication at CHI '22 partly based on this work. Advisors: Jess Holbrook and Lauren Wilcox.

NBN Co

Feb 2018–Feb 2020

NETWORK STRATEGY MANAGER

Sydney, Australia

NBN Co is a Commonwealth government-owned corporation tasked with connecting Australia and bridging the digital divide by designing, building and operating Australia's wholesale broadband access network. At NBN Co, I managed virtual teams across product, engineering, finance, regulatory and legal functions. Key projects included: managing key workstreams to reduce Fixed Wireless upgrade budget from \$1.3bn to \$800m; managing strategic planning for upgrades to and replacement of the Satellite network; shaping regulatory policy related to network upgrades and new developments; developing business cases for State government investment in the network.

Aboriginal Legal Service

May 2017–Feb 2018

SENIOR LAWYER AND POLICY OFFICER

Sydney, Australia

The Aboriginal Legal Service (ALS) provides free legal services and representation to Aboriginal people in NSW/ACT. At the ALS, I led the policy unit during a busy period of government reviews and inquiries. This involved managing all written and verbal submissions to State, Territory, and Federal governments with respect to laws that are discriminatory or unfair to Aboriginal people.

Nous Group

SENIOR CONSULTANT

May 2012–May 2017

Sydney, Australia; London, UK

Nous Group is the largest Australian-headquartered management consulting firm. At Nous, I worked on projects with public, private and social sector clients to address strategic challenges and to develop and evaluate economic and social policies. From 2014–2017 I managed over eight projects, predominately with central government and social services agencies, as well as financial services organisations. Developed and managed Nous' first two Reconciliation Action Plans (RAP).

Transparency International

LAWYER

Jul 2015–Jan 2016

Guatemala City, Guatemala

Conducted legal analysis and prepared court documents to support strategic litigation against members of the government for corruption. Supported logistics planning and performed election monitoring to ensure the security of voters and the validity of the democratic process in the 2015 presidential election. *(On leave from Nous Group)*
